

A still life composition of natural ingredients for remedies. In the top left, a glass jar is filled with golden honey, with a wooden honey dipper resting inside. To the right, a small glass bowl contains a dark, thick liquid, possibly molasses or a concentrated herb extract. A woven wicker basket in the center holds several bright yellow lemon slices, a piece of ginger root, and a cinnamon stick. To the right of the basket, a whole pomegranate with its characteristic green leaves is visible. In the foreground, more ginger root and several lemon slices are scattered on a light-colored wooden surface. Several star anise pods are also scattered on the wooden surface. The entire scene is overlaid with a semi-transparent dark layer, and the text "GOD'S REMEDIES" is centered in a white box.
